

Day & Night 3MP HD IP Camera

Features

- Full HD 3.27 megapixel CMOS image sensor
- True H.264 AVC/MPEG-4 part 10 real-time video compression
- H.264 and Motion JPEG multi-profile video streaming
- 3D noise reduction (MCTF)
- 2D WDR function
- Digital PTZ supported
- Face / Tampering / Audio / Motion detection alarm function
- Day & Night (IR cut removable)
- 2-way audio supported
- Digital I/O : 1 in, 1 out
- ONVIF supported
- Support Sense Up + and Quadruple Streaming technologies

Discontinued date

- 2018.10.13

Alternative models

- ZMR8142X-P / ZMR8442X / ZMR7742X / ZMR7442X-P

Description

LILIN's award-winning IPG1032X 3MP HD IP Camera is capable of streaming video at up to 15 FPS (frames per second) design suited to almost any application. As with all Pro series cameras, the IPG1032X incorporates Sense Up+, a unique technology that successfully delivers stunning video in low-light conditions. Utilizing intelligent image signal processing, AGC control, and 3D noise reduction, this model successfully delivers the ultimate low-light image without motion blur. Measuring less than 125mm in length, this latest addition to the range provides an internal solution suited to multiple applications.

The IPG1032X is capable of producing four independent video streams at a recording rate of up to 15FPS, meaning different streams can be set for different applications, depending on the individual user requirements. Further features include Region of Interest (ROI), e-Tour, 2-way audio, weighted mode, digital PTZ (pan-tilt-zoom), PoE (Power over Ethernet) and alarm activation by motion, tamper, face and audio.
